## Garden Care Team Leaders

**Sargent's Nursery is a well-established Red Wing, MN business that offers a full-service Garden Center, high-end residential Landscape Design and Installation, as well as Professional Garden Care.** Since 1928, Sargent's Nursery's Landscape designers and installation crews have been crafting a reputation as the place to turn in the Red Wing area for beautiful and function landscape designs, quality installation, horticultural knowledge, and friendly client services.

**Sargent's Nursery-Landscape designs and installs residential and commercial projects including hardscaped retaining walls, paver and natural stone patios/walkways, as well as focusing on our passion—PLANTS!** Sargent's also provides residential and commercial garden maintenance programs to help you care for your landscape, seasonal containers, and garden plantings.

**Sargent's is seeking an Experienced Garden Care Team Leader to join our team.**

Garden Care Team Leaders will have a passion for a job well-done, strong leadership skills, and the ability to handle the physical demands of outdoor work! Garden Care teams are prepared for success with quality tools, equipment, and plants to complete a project.

**Skills Required:** Ability to give direction, stay organized, communicate with Garden Care Manager, homeowners, and team members. Ability to maintain a quick, steady work pace. Ability to identify common shrubs, perennials, weeds. Ability to work exclusively outdoors and complete physically demanding tasks; bending, squatting, lifting, pulling, digging, pushing, etc.

**Experience:** Proven leadership experience, knowledge of trees, shrubs, annuals, & perennials, experience with pruning for trees, shrubs, and other plants, basic horticultural knowledge, experience with techniques for weeding, watering, mulching, dividing, and transplanting. Valid driver's license is required.

**Join our talented team of MNLA certified landscape professionals.**
