Landscape Install Crew Member

Sargent's Nursery is a well-established Red Wing, MN business that offers a full-service Garden Center, high-end residential Landscape Design and Installation, as well as Professional Garden Care. Since 1928, Sargent's Nursery's Landscape designers and installation crews have been crafting a reputation as the place to turn in the Red Wing area for beautiful and function landscape designs, quality installation, horticultural knowledge, and friendly client services.

Sargent's Nursery-Landscape designs and installs residential and commercial projects including hardscaped retaining walls, paver and natural stone patios/walkways, as well as focusing on our passion—PLANTS! We design functional and beautiful horticultural solutions to serve our client's diverse needs.

Sargent's is seeking Landscape Installation Crew Members to join our team.

Landscape Installation Crew Members will have a passion for a job well-done, maintain a good attitude, and possess the ability to handle the physical demands of outdoor work! You'll be working on inspiring projects lasting from a few hours to 10 days. Installation crews are prepared for success with quality tools, equipment, and plants to complete a project.

Skills Required: Ability to take direction, stay organized, communicate with designers, homeowners, and crew members. Ability to maintain a quick, steady work pace. Ability to read and execute detailed designs and material lists. Ability to work exclusively outdoors and complete physically demanding tasks; bending, squatting, lifting, pulling, digging, pushing, etc.

Experience: Knowledge of paver and wall installation, experience with installation techniques for trees, shrubs, and other plants, ability to operate a skid-loader, and a valid driver's license are required; the ability to drive a standard-transmission truck is highly preferred!

Must pass DOT Physical exam. Sargent's will incur the cost of this test.

Join our talented team of MNLA certified landscape professionals.
